*Appointed Oct. 1961 to succeed David R. Sawyer entered on active military duty, and who was granted a leave of absence.

REPORT OF THE SELECTMEN

TOWN OF JAFFREY

The time has arrived again for the Selectmen of Jaffrey to make an accounting of their stewardship of the Town of Jaffrey for the year ending December 31, 1961.

BUDGET. The Board of Selectmen wishes to call to the attention of the voters of Jaffrey the Comparative Statement of Receipts and Expenditures for the 1961 Budget, shown further along in this Town Report. It will be noted that the Town operated well within the confines of its budget, with an unexpended balance of over \$11,000.00 remaining at the end of the year.

TAX RATE. For the second consecutive year there was a decrease in the tax rate. With tax rates increasing in many other communities in this State, the Board was gratified that Jaffrey was among the communities keeping their tax rate down. Two contributing factors for this decrease can be attributed to an increase in receipts in the Interest and Dividends Tax received from the State, amounting to \$12,727.06; and a decrease in the County Tax amounting to \$2,647.60.

TOWN ROAD AID. Town Road Aid construction funds for the year 1961 were spent on Sawtelle Road, and the remainder on Old Peterborough Road, just off Dublin Road. Repairs have made these roads more readily accessible during the spring and winter seasons, making it possible for the school busses to negotiate these roads. It is anticipated that the 1962 TRA funds will be expended for a continuation of repairs on the Old Peterborough Road, going toward the Jaffrey-Peterborough town line.

SIDEWALKS. The sidewalk on Main Street along the United Church property was lowered and new curbing installed.

NEW STREET LIGHTS. A new lighting arrangement was completed along the Main Street business area during the past year. The street illumination has distributed the illumination over a broader area than previously. The 1962 proposed lighting arrangement calls for an extension of these new lamps, in lesser lumen capacity, for the remainder of Main Street proceeding toward Jaffrey Center, and also along East Main Street and Stratton Road. Such a proposal is being submitted in the form of a special article in the town meeting warrant for the voters to decide.

SILVER RANCH AIRPARK. The airpark was completed and became operational during the past year, and is now known as the Jaffrey Municipal Airpark. Several industries and individuals are at present availing themselves of this service, and it is anticipated that activity at the terminal will increase during the coming years.

TAX MAP. Work on the tax map is progressing, with quite a bit of the township being plotted, and it is expected that it will be completed during the next few years.

PLOWING OF PRIVATE DRIVEWAYS. As a result of the action taken at the March 1961 Town Meeting, the Town continued with its program of plowing driveways. It is the belief of the Board of Selectmen and Highway Agent, that a better understanding of this service has been reached by the discussion at the 1961 meeting.

CHRISTMAS LIGHTING. The Board of Selectmen on behalf of the Town wishes to take this opportunity to express their appreciation to Mrs. Helen H. Brodmerkle who accepted the chairmanship of the Christmas Lighting Committee, and to all the public-spirited citizens who donated of their services and time in helping her in this project. The lighting was done in an excellent manner creating much favorable comment.

RED NET WORK. With the closing of the W. W. Cross Co., Plant No. 2, it was necessary that the red net work operation be transferred to the main plant of the company. This caused an increase in the maintenance cost of this service, which was both unforeseen and unavoidable.

TOWN DUMP. It was found to be much more advantageous to relocate the site of the new dump further along the road, than to use the previously established site, due to fire hazards that were being created. A service for the fire protection of the dump was installed with a pump to enable water to be pumped to the scene should a blaze break out. This location was proven very satisfactory. At this time the Board would like to make a request that will be most helpful to all; and that it is when refuse is being trucked to the dump that care be taken to see that the refuse is properly covered while in transit so that it will not blow off moving vehicles onto the roadside. This creates a litter problem and nuisance. Also, it is desired that when dumping refuse at the dump, that vehicles drive in as far as possible so as to keep the roadway becoming clogged with refuse dumped haphazardly.

CAPITAL RESERVE FUND. The amount in this fund is now over \$6,000.00. An article is being inserted in the town meeting warrant this year which will enable the Selectmen to purchase and pay for equipment for the use of the highway department without having to go through the formality of a special town meeting in order to make use of these funds.

ORDINANCES. It is extremely regrettable that a misunderstanding in the interpretation of the ordinances regarding set-back occurred in the so-called "Heffernan Case." It is the opinion of the Board that the Board itself was well within its right in the stand it took in this matter. It is also its opinion that a satisfactory explanation has been given the voters of Jaffrey through articles and letters that have appeared in the newspapers. If a successful plan for zoning is to be adopted in this community, then a thorough study must be made and more time spent on it before being presented to the community for adoption.

INDEBTEDNESS PAYMENTS. Payments were made on the Peterborough Street and the Sewer Bonds during the past year amounting to \$12,700.00. A complete report of the bonded indebtedness of the town, and a schedule of payments to be made is shown further on in this report in detail.

At this time, we, the Board of Selectmen of Jaffrey, wish to take this opportunity to express our sincere appreciation for the cooperation, criticism, both favorable and unfavorable, and all assistance given us in the discharge of our duties, and hope that the voters have not misplaced their trust in us.

Respectfully,

LESTER F. HAMMOND, Chairman
ARTHUR J. FAFORD
J. OREN BELLETETE

Selectmen of Jaffrey

TOWN MEETING WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Jaffrey, in the County of Cheshire, qualified to vote on Town Affairs:

You are hereby notified to meet at the Conant High School Auditorium on Stratton Road in Jaffrey Village, in said Town, on Tuesday, the Thirteenth day of March next, at nine o'clock in the forenoon, (polls to remain open until six o'clock in the afternoon), to act upon the following subjects:

Article 1. To choose a Town Clerk, Selectman for three years, Tax Collector, and all other necessary Town Officers.

Article 2. To hear all reports except that of the Budget Committee and act thereon.

Article 3. To hear the report of the Budget Committee, and to raise and appropriate such sums of money as may be required for the support of the poor, building and repairing highways and bridges, fire department, police department, Memorial Day, street lights and all other town charges.

Article 4. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

Article 5. To see if the Town will vote to rescind the action taken under Article 12 of the March 9, 1943 Town Meeting pertaining to the Budget Committee.

Article 6. To see if the Town will vote to accept the following: "That a Budget Committee consisting of seven members be authorized; one member to be appointed by and from the School Board, and one member to be appointed by and from the Board of Selectmen, both of whom shall attend all meetings, but, who shall not have the right to vote for or against any appropriation; and five citizens of the Town to be appointed by the Moderator, one each year to serve for a term of five years, except the first year, when one shall be appointed for one year; one for two years; one for three years; one for four years; and one for five years; who shall have the right to vote for or against any appropriation.

The members of this committee shall be sworn to the faithful performance of their duties and their appointments shall be recorded with the Town Clerk.

It shall also be the duty of this committee to meet each year, in open meeting, on or before the tenth day of February and carefully consider the finances of the Town. They shall give due consideration to the needs of the different departments and listen to the testimony of any persons who desire to be heard regarding any Town or School appropriation. It shall also be the duty of this committee to meet again, on or before the fifteenth day of February in executive sessions to draw up a list of the amounts necessary, in their opinion to be raised for all Town and School purposes. This list shall be posted and published by the Selectmen and School Board with the warrants; included with the Town Reports and submitted to the voters for final action at the annual meetings as the Budget Estimate for the ensuing fiscal year."

Article 7. To see if the Town will vote to authorize the Selectmen to execute a contract for the lay-out and construction of an extension of the interceptor sewer from Main Street to Aetna Street in accordance with plans therefor prepared by Camp, Dresser & McKee, consulting engineers, for a sum not to exceed twenty-eight thousand (\$28,000.00) dollars; the same to be paid for in part by the State of New Hampshire, the United States of America, and a sum not in excess of four thousand (\$4,000.00) dollars out of the Town of Jaffrey Sewer Fund and the balance to be raised by the Town; and to raise and appropriate the sum of ten thousand (\$10,000.00) dollars therefor.

Article 8. To see if the Town will vote to raise and appropriate a sum of money not to exceed one thousand five hundred (\$1,500.00) dollars to be used for the purchase of a new cruiser for the Police Department, or act in any way relating thereto.

Article 9. To see if the Town will vote to amend the ordinances enacted by vote of the Town at the Annual Town Meeting, March 8, 1960 pursuant to Article 18 and Article 19 of the warrant thereof by adding thereto the following ordinances:

A. Said vote of the Town pursuant to Article 18 and Article 19 of the Town Meeting, March 8, 1960 are hereby ratified and affirmed and reenacted.

B. 1. No building or structure having a floor area of more than one hundred fifty (150) square feet shall be

constructed within the Town unless the owner or his appointee in writing shall file an application with the Town Clerk for a building permit, setting forth:

- (a) The name of the owner of the property and the location of the same;
- (b) The location of the proposed building or structure on said property;
- (c) The proposed use of the premises;
- (d) The size of the proposed building or structure.

2. The Town Clerk shall forthwith issue said permit upon:

- (a) The payment of a nominal fee of two (\$2.00) dollars;
- (b) The delivery of a copy of the within ordinance and Articles 18 and 19 of the Annual Town Meeting, March 8, 1960, to said applicant;
- (c) The determination by the Town Clerk that the proposed building or structure does not violate any existing ordinances, laws or regulations.

3. In the event that the Town Clerk shall fail or refuse to grant a permit within twenty-four hours of the filing of said application, the applicant shall file with the Town Clerk a request for hearing before the Board of Adjustment which hearing shall be held within fifteen days of the date of said request.

C. No action on the within article shall be construed as a repeal of the ordinances voted at the Annual Town Meeting on March 8, 1960.

Article 10. To see if the Town will vote to amend the vote of the Town pursuant to Article 25 of the Annual Town Meeting of March 8, 1960 by adding thereto the following provision for the expenditure of the Capital Reserve Fund, to wit:

"The Selectmen are authorized, from time to time as in their judgment shall be desirable for the best interests of the Town and the construction and maintenance of Town Highways, to purchase graders, plows, trucks, scoops, loaders, scrapers, rollers and other items in general for use for main-

tenance or construction of highways, and the Trustees of Trust Funds are directed and authorized to make payment therefor on order of the Selectmen from said Capital Reserve Fund."

Article 11. To see if the Town will vote to raise and appropriate the sum of twenty three dollars and fifty cents (\$23.50) for the installation of a street light at the intersection of Coolidge Street and Sunnyfield Drive, or act in any way relating thereto. (By Petition).

Article 12. To see if the Town will vote to accept the automatic response offer of the Meadowwood Fire Department at all alarms for building fires at no cost to the Town, or act in any way relating thereto.

Article 13. To see if the Town will vote to rescind Article 19 of the March 11, 1958 Town Meeting pertaining to sewer rental fees, and that the following sewer rental fees be adopted:

"Sewer Entrance Fee: \$50.00; rental charges per annum: per family \$15.00; Garages, gas stations and restaurants: \$30.00; Hotels, rooming houses, mercantile or manufacturing buildings: \$15.00 per toilet," or act in any way relating thereto.

Article 14. To see if the Town will vote to rescind the ordinance adopted at the Town Meeting held on March 8, 1960, which reads as follows:

"Every dwelling house, residence or accessory building hereafter erected in the Town shall have a minimum set-back of thirty feet from any public highway," or act in any way relating thereto. (By Petition).

Article 15. To see if the Town will vote to raise and appropriate the sum of five hundred (\$500.00) dollars for the purpose of erecting street signs in the Town of Jaffrey, or act in any way relating thereto.

Article 16. To see if the Town will vote to raise and appropriate the sum of eighty-nine dollars and seventy six cents (\$89.76) for the purpose of replacing four of the present street lights located on Main Street, from the corner of School and Main Streets to the corner of Charlonne and Main Streets, or act in any way relating thereto.

Article 17. To see if the Town will vote to raise and appropriate the sum of twenty three dollars and fifty cents (\$23.50) for the purpose of installing a street light on the road between the residences of Arthur J. Christian and Leo Charland off North Street, or act in any way relating thereto. (By Petition).

Article 18. To take up any matters that may properly come before the meeting.

Article 19. Shall the provisions of Chapter 287 of the New Hampshire Revised Statutes Annotated, relating to games of Beano be accepted in this Town?

Given under our hands and seal this 23rd day of February, A.D., 1962.

LESTER F. HAMMOND

REPORT OF POLICE DEPARTMENT

JAFFREY, NEW HAMPSHIRE

January 4, 1962

To the Honorable Board of Selectmen:

Gentlemen:

The Chief of Police herewith submits his annual report for the year 1961.

In service training is continuing within the department. A dark room was constructed in the early part of the year, officer Robert Bunce did the construction. Our most sincere thanks to Mr. and Mrs. Lawrence H. Wetherell of Jaffrey Center for furnishing us with all the equipment needed for dark room work. We are now in the process of instructing all the officers in photography, State Trooper William F. Smith is the instructor. With money received from the sale of photographs we can keep buying the necessary film, paper and other equipment needed without using budget funds.

Thre report shows that 121 of the 696 complaints investigated, involved children. This is a decrease of 56 complaints from 1960 in which teenagers were involved. We shall continue to work closely with parents, Church and school authorities in all cases involving children.

Special officers Francis Chamberlain and Irving Gagnon resigned from the force during the past year. New officers added are Kevin Rivard, Edmond Robichaud and Donald Johnson.

Treasurer

ABSTRACT OF BUSINESS TRANSACTED AT THE ANNUAL TOWN MEETING, MARCH 14, 1961

Art. 1. ELECTION OF OFFICERS. The following officers were elected as a result of the ballots cast at the meeting:

TOWN CLERK — Albert J. Morin
SELECTMEN FOR THREE YEARS — J. Oren Belletete
TOWN TREASURER — Albert J. Morin
HIGHWAY AGENT — Henry J. Belletete
CHIEF ENGINEER, FIRE DEPARTMENT — Philip C. Tremblay
TAX COLLECTOR — Raymond J. Desmarais
OVERSEER OF PUBLIC WELFARE — Lucien E. Vigneault

WATER COMMISSIONER FOR THREE YEARS — Lester F. Hammond

COMMISSIONER OF HUMISTON PARK — Ferdinand V. Sirois, Joseph T. Griffin received a majority of the votes cast, but as he already was a Commissioner, he could not accept the office. Ferdinand Sirois who received the next highest number of votes, accepted the office.

AUDITORS — James A. Sullivan and Roger R. Smith. A motion was made and carried that the Town Clerk be instructed to cast one ballot for James A. Sullivan and Roger R. Smith for Auditors for the ensuing year.

TRUSTEE OF TRUST FUNDS FOR THREE YEARS—Randyl P. Cournoyer. A motion was made and carried that the Town Clerk be instructed to cast one ballot for Randyl P. Cournoyer to be Trustee of Trust Funds for the ensuing three years.

MEMBER OF BUDGET COMMITTEE. The Moderator re-appointed Carl C. Spofford as a Member of the Budget Committee.

A motion was made and carried that the remainder of the Town Officers be appointed by the Selectmen.

Art. 2. REPORTS. A motion was made and carried that all the reports except that of the Budget Committee be accepted as printed.

B. Jaffrey No-School Signal

In case of emergency when it seems inadvisable to have schools in session on any day, the No-School Signal will be given by sounding the signal on the fire alarm system at 7:30 A.M. It will also be announced over radio station WBZ, WKNE, and WKBK at the same time approximately.

Parents and pupils are urged to depend upon the fire signal, T.V., or radio for no-school notices. Telephone operators are no longer able to assist in giving no-school information.

D. Report of District Clerk**Abstract of Business Transacted at the
Annual School District of Jaffrey Meeting March 13, 1961**

Article 1. Elected Jason C. Sawyer, School District Moderator.

Article 2. Elected Myrtle J. Hazleton, School District Clerk.

Article 3. Elected Anne B. Gordon and Gerald A. DeGrandpre, Members of the School Board, School District of Jaffrey, for three years.

Article 4. Elected Lawrence W. Brown, School District Treasurer.

Article 5. It was voted the salaries of the District Officers for the ensuing year be as follows:

| | |
|--------------------------------|---------|
| Each School Board Member | \$50.00 |
| Treasurer | 50.00 |
| Clerk | 5.00 |
| Moderator | 5.00 |
| Each Auditor | 20.00 |
| Each Ballot Clerk | 5.00 |

Article 6. It was voted that the reports, as printed, be accepted and placed on file with the Clerk.

Article 7. It was voted that the Auditors chosen at the Town Meeting March 14, 1961, act as Auditors for the Jaffrey School District.

Article 8. It was voted that the School District raise and appropriate \$311,930.50 and to authorize the direct the School Board to apply against said appropriation such income as is estimated by the School Board exclusive of State Aid, and upon the determination of

the amount of State Aid to be received by the School District during the next fiscal year, to authorize and direct the School Board to apply against such appropriation the sum to be received from State Aid and with the School District Clerk certify to the Selectmen the balance as an assessment to be raised by the Town for school purposes.

Article 9. It was voted that the School Board be authorized to make application for and to accept on behalf of the District such sums of monies as may be made available under the National Defense Education Act, Public Law 85-864 (for purposes outlined under Titles III, V and VIII thereof), and that the District appropriate the sum of \$2,000.00 for said purpose(s), \$1,000.00 of which amount shall be raised as an assessment by the Town, and a like amount to be raised from Federal sources.

Article 10. It was voted that the District approve the action taken by the School Board in accepting in 1959-60 additional Title III funds and applying such funds together with a like amount of general funds to purchase laboratory benches and other equipment for the science laboratories.

Article 11. It was voted that the District authorize the School Board to transfer the remainder of the Building Fund to the general fund as of January 1, 1962.

Article 12. It was voted that the District authorize the School Board to acquire in the name of the Jaffrey School District a parcel of land (approximately 1¼ acres) from Mrs. James Fitzgerald.

Article 13. It was voted that the District raise and appropriate the sum of Thirty-five Hundred Dollars (\$3,500.00) to carry out action voted under Article 12, and other costs related thereto.

Article 14. It was voted that the District appropriate the sum of \$1,500.00 to be used as a Capital Reserve Fund for replacement of the school bus, the above amount already having been raised under Article 8.

Article 15. It was voted that the District authorize the School Board, in case satisfactory bids on pupil transportation are not received, to purchase upon the credit of the District not more than two school busses.

In keeping with President Kennedy's concern over the National Physical Fitness and in consideration of the need for facilities at Conant, it was voted that the Moderator appoint a Committee to study the local needs and to report to the School Board within three (3) months.

It was voted that the School Board be authorized to select a committee of three to study the merit pay plan for teachers and report their findings to the School Board within three months in order that this plan be considered by the Board.

Meeting adjourned at 11:03 P.M.

A TRUE ABSTRACT

MYRTLE J. HAZLETON

Clerk of the School District of Jaffrey

E. Warrant

To the Inhabitants of the School District in the town of Jaffrey qualified to vote in the district affairs:

You are hereby notied to meet at the High School Auditorium in said district on the 12th day of March, 1962 at 7:30 o'clock in the evening to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose two Members of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors, and Committees in relation to any subjects embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the suport of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said apropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the district will authorize the school board to make application for and to accept, on behalf of the district, any or all grants forthcoming under Titles III, V or VIII, or any combination

thereof, of the National Defense Education Act, Public Law 85-864 or any or all grants of other funds which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire under the provisions of the National Defense Education Act.

10. To see what sum of money the district will vote to raise and appropriate to replace the stage curtains at the Grade School.

11. To see what sum of money the district will vote to raise and appropriate to regravell the Grade School playground.

12. To see what sum of money the district will vote to raise and appropriate to be used as a Capital Reserve Fund for replacement of school bus.

Given under our hands at said Jaffrey this 24th day of February, 1962.

ERNEST J. PRATT
CHARLES D. BURRAGE
EVELYN H. RUFFLE
LEON H. HUNT
ANNE B. GORDON
GERALD A. DeGRANDPRE

School opened in September, 1961, with three changes in the staff at Conant High School. Mr. Guy Burrill joined the staff as an additional teacher in science, Miss Avanis Dawson replaced Mrs. Catherine J. Mizhir as teacher of Girls' Physical Education, and Mr. Theodore W. Johansson replaced Mr. Charles Chamberlain as shop teacher. In October Mr. Johansson was called into the armed services and Mr. Robert P. Laflamme was hired to fill the vacancy.

The only vacancy at the Grade School was filled by Mr. Rodney Contois who replaced Miss Deborah Putney.

Miss Elizabeth Robertson replaced Mr. Fosco J. Picchi as Art Supervisor.

4. After three successive years of successful teaching in Jaffrey the teacher may be placed on continuing contract.

5. This schedule does not apply to the principals guidance director, physical education teachers and supervisors of art and music.

6. Credit will be given for military service up to 2 years.

7. This salary schedule shall go into effect for the school year 1961-62 *only* and will be subject to revision prior to 1962-63.

8. A teacher obtaining a higher degree shall be placed on the higher salary on September 1, following completion of requirements for that degree.

C. School Program

1, Report of the Grade School Principal

The past year has been mainly one of consolidating and strengthening the educational gains made within the last few years. It is wise to do this every so often in order to stabilize the existing program.

This is the second year that the Spalding Unified Phonics Method has been used in the language arts program and from all available indications the results are rewarding and gratifying.

The teaching staff has met many times with the teachers consultant to blend this system with the basic reading system. In addition, the first grade teachers, Mrs. Davis and Miss Wallace, met with the parents of first grade pupils in a series of evening meetings to acquaint the parents with the phonetic approach used in first grade reading.

The report card adopted last year were continued in use and the policy of assigned homework in grades four, five, and six has also been continued for the second year.

During the latter part of October, grade six spent its annual week of outdoor education at Sargent Camp with every child attending. Grade five made its yearly historical trip to Boston, Mass., and grade four visited places of interest in Concord and Manchester in connection with their study of New Hampshire. Also, several short trips were taken by other classes within the local area.

The science program was strengthened by the addition of eighty-six filmstrips which were purchased under Title III funds made possible with matching federal and local money.

Edward Hamilton, band instructor at Conant High School, has recently organized an elementary band, members of which are from the fourth, fifth, and sixth grades, with rehearsals being held after school.

Educational TV programs from Channel 11 in Durham are being used to enrich the science programs in grades 3, 5, and 6. Grade four is using the program "The Story of Our Granite State" in their study of New Hampshire. It is now possible to view TV in three classrooms and the auditorium, as well as the TV room.

The past year has been one in which the teachers have been diligent in the area of professional improvement. Their efforts have reached out in to many fields as can be seen by the table below.

Learning and Instinct

| | |
|-------------------|-----|
| Geraldine Wallace | KTC |
|-------------------|-----|

In June of 1961, Mildred Cutter was awarded the degree of Bachelor of Education by Keene Teachers College. In August, 1961, Geraldine Wallace also completed the academic requirements for a Bachelor of Education degree from Keene Teachers College.

Mary Hamilton, Abbie Brown, and Clayton Craig attended the New England Reading Conference in Swampscott, Mass. This is the outstanding reading conference in this area with speakers from all sections of the country. Mr. Craig also attended the National Elementary Principals' Conference in Atlantic City, New Jersey.

In my opinion the boys and girls of Jaffrey are receiving an education high in both quality and quantity. This has been made possible by a conscientious, hard-working teaching staff working in harmony with the administrative and supervisory personnel and backed by a community aware of the necessity of a good educational system.

Clayton Craig, Principal

2. Report of the Conant High School Principal

School opened on September 6, 1961, with three new teachers on the staff — Mr. Guy Burrill, a graduate of Keene Teachers College; Miss Avanis Dawson, an experienced teacher who taught previously in Dependents' Schools in Europe and Theodore Johannson, a Jaffrey native, who came back to Jaffrey from Townsend, Massachusetts schools. In October, Mr. Johannson's National Guard Unit was Federally activated and Mr. Robert LaFlamme, a graduate student at Keene Teachers College, replaced Mr. Johannson.

To give you a complete resume of our activities for this past year would force me to go beyond my allotted space in this Jaffrey Annual Report. Let me assure you, however, with the changes "you would never know old Conant High."

We are extremely proud of our new library. It is roomy, well-lighted, well-stocked, and certainly conducive to establishing good study habits. Many of you, and I shall not call you "old-timers," may remember the library when it was the old home economics room. The library is under the supervision of Mrs. Anna Gelinas, who, with her student librarians, is doing a wonderful job.

Then, there are those of you who may remember a small room directly across the hall from the old assembly room or later known as "Room No. 1." You may have thought of it as only a closet, but it is now our foreign language laboratory. We have eighteen stations where students can supplement their classwork with electronic audio-aids.

If you should perchance wander into the shop areas, you might be startled by the absence of a multitude of automobile engines and old cars, for the federally supported auto mechanics courses are now things of the past. Mention should be made here that we have not discarded auto mechanics entirely, for it will be taught but only as a part of a power mechanics offering in our new industrial arts program. The reception on the part of the students to another of our new offerings, mechanical drawing, far surpassed our expectations. Bench work and sheet metal work have also been received equally as well. As this report is being written, we are going ahead with the planning and setting up of our area in electricity. We anticipated that it would take three years to fully implement our new general shop. I am pleased to say that we are far ahead of schedule.

Perhaps, many of you recall trying to fit personal typing into your crammed high school schedules. Well, through an added demand on the patience of Miss Hancock and a few blocks of wood under the chairs, we are now offering personal typing to classes in the junior high school. It is unfortunate that time would not allow us to offer personal typing to all junior high youngsters. I'm sure that

you can all see the advantages in learning to typewrite at as early an age as possible.

Even the old Art Room has taken on a "new look." Perhaps, once known, and rightfully so, as the echo room it is now one of our most spacious classrooms.

With guidance becoming increasingly more important, we felt that the Guidance Room had to be dressed up. Through the efforts of Mr. Ernest Pratt, who built shelves and cabinets, and through the generosity of certain alumnae, who donated college pennants, the room has become more attractive.

Certainly, thanks should be extended to Red Peard for providing the school with a Pontiac for the Driver Education classes. It is anticipated that forty young people will complete the course under the direction of Mr. Russell Young.

Even the old wooden flag pole fell as prey to progress. The Class of 1961 and the W. W. Cross Company made it possible for the school to have a new metal pole and base for the front of the building.

Thus, you are a little more aware of what is new. It was not my motive to make this report anostalgic discourse. However, it is my feeling that we have much of which to be proud. Yet, we cannot stop here. We must strive constantly for more improvements and changes in this everchanging world.

It would be humanly impossible for me to thank everyone who has contributed to make, what I feel, a successful school year. Thus, I'll simply say: To my fellow educators, to the School Board, to the people of Jaffrey, and especially to the students of Conant High, again I offer my sincere thanks.

Henry L. Bremner, Principal

3. Report of the Supervisory Staff

In developing an effective school program, continued study, evaluation, and revision are necessary. In the reports of the principals two such areas are given special attention.

Two years ago the teaching staff examined and evaluated the elementary reading program. It was the unanimous opinion of the teachers that certain changes should be made, if the reading abilities of our children were to be more fully realized. The guide for action was the phonics program developed by Romalda Bishop Spalding, as presented in "Whe Writing Road to Reading."

Mrs. Spalding's basic philosophy is contained in the statement that it is a fully-developed and complete method for teaching the basic techniques of the language arts, — accurate speaking, spelling, writing, and reading — as one integrated subject.

It will be recalled that in the spring of 1960, Mrs. Spalding met with the teachers and outlined her program. A year later she returned to assist the teachers with developmental problems. As a result of these two meetings, a teachers' handbook was developed. Our elementary personnel were instrumental in providing the needed impetus to the project. As a result our phonics approach to the language arts is moving steadily forward.

On the junior high school level, grades 7 and 8, our developmental reading program is being ably initiated and gradually gaining stature. At this level it is important that the skills needed for effective reading are kept alive, and also that certain disabilities be overcome. It is also important that various reading skills needed in specific subject areas be a part of the student's training. Library and reference book techniques are also necessary. New equipment for this program includes two reading accelerators and a kit of materials for reading, understanding, and comprehension.

The industrial arts program in the senior high school has been well received. The first two years of our program, grades 9 and 10, is designed to provide exploratory experiences, to give the pupil an opportunity to test his interest and skills in the various areas. The offerings in grades 11 and 12 provide an opportunity to more fully develop the students' abilities in one or more fields. In brief, our new program does not confine the junior and senior years to one area such as auto mechanics.

We are in the process of "retooling" the shop. Much has been accomplished, and we feel that by June, 1963, we will be well organized and equipped.

Lewis F. Foote, Superintendent of Schools
Earl D. Barnes, Teacher Consultant

PART III. SCHOOL PLANT

A. Repairs

During the summer of 1961, the custodial staff was again augmented by the addition of several members of the teaching staff.

At the Grade School six classrooms, the T. V. room, and the principal's office were painted. In the kitchen new cabinets and a new work counter were installed. A storage, display, and work space was built into the T. V. room.

The playground area was greatly improved by the "hot-topping" of some 25,000 square feet of area, including an outdoor basketball court. The loose gravel on the playground has for some time presented a serious problem both in and out of the building. At the same time the light poles were removed from the play yard, and the grounds illuminated by new floodlights on the building.

A second big job at the Grade School was the replacement of the three entrance doors to Union Hall and the two main entrances to the school. New hardware was also installed.

At Conant four rooms were repainted, numerous windows puttied and repainted, new ceilings installed in two rooms, and new storage areas provided. The radiation was also replaced in one room.

B. Insurance

| | |
|--|--------------------------|
| Fire, Extended Coverage and Vandalism, buildings and contents, Conant High and Jaffrey Grade School | \$612,000.00 |
| Boiler Insurance, Property and Liability, Conant High and Jaffrey Grade School | 50,000.00 |
| Owners' and Tenants' Liability (Teachers only) | |
| Bodily injury each person | 10,000.00 |

PART V. CHILD ACCOUNTING

A. Graduations from High School

Thirty-seven students, as compared with thirty-six in 1960 and twenty-four in 1959, were graduated from Conant High School in June, 1961.

Jonathan Adams, JoAnn Allen, James Anderson, Charles Bacon, Richard Bernier, Dennis Boudrieau, William Brooks, Phyllis Cramb, Lena Crandall, Joseph Deschenes, David Dodge, Eugenie Eaves, Marion Garfield, June Hazleton, Ronald Hoyt, James Hunt, Nancy Hurd, Leonard Kangas, Leonard Kirschner, Leonard Krause, Rose LaFleur, Charles Letourneau, Ellen McPhie, Judith Moore, Lois Morin, Donna Norwood, Leonard O'Brien, Patricia Oliver, James Record, Kathleen Reddy, Anita Robidoux, Gerald Roy, Arthur Sawtelle, Philip Silver, Linda Speckman, Kenneth Whitney, and Jane Williams.

Of these, sixteen are furthering their education in institutions of higher learning which include four-year colleges, junior colleges, hospitals, and in-service training programs; twelve are employed; and nine have entered the Armed Forces.

B. Statistics for the Year Ending June 30, 1961

| | High | Elementary | Total |

| Grand Total | | | 658 |

PART VI. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

A. Health

Few cases of communicable diseases were reported this year. There were 24 cases of mumps and several skin and scalp infections which were quickly cleared up. Colds and digestive upsets made it necessary for 253 pupils to be sent or taken home from school during the year, many of them by the school nurse. Keeping sick children out of classrooms presents an annual problem.

Dr. Sterling continued his duties as school physician. He examines the members of the athletic teams and the pupils of the odd-numbered grades annually. He directs and supervises all phases of school health work and the immunization programs.

The school nurse conducts the vision and hearing tests, and checks all pupils for obvious abnormal conditions. Corrections of vision, hearing and dental defects show better results each year. Parents and service clubs have been very co-operative.

DENTAL CLINIC

The dental clinic sponsored by the Jaffrey Woman's Club was continued. This service enables pupils in the lower grades to have dental work which might not ordinarily be obtained. The work is done in the office of Dr. Raymond Moore. The limitation of the fund makes it impossible to do the work needed or for all the pupils who are in need. A summary of the work shows the following:

| | |
|---------------|---------------------|
| Children seen | 41 |
| Appointments | 78 — dentist's time |
| | 13 half-days |
| Work complete | 39 children |
| Fillings | 161 |
| Extractions | 33 |
| X-rays | 11 |
| Cleanings | 10 |

GLASSES

The Jaffrey Community League maintains a fund for glasses for pupils who cannot afford them. Of the 170 pupils with apparent vision problems, 133 received attention by parents or through the vision fund. There were 79 pupils already wearing glasses who needed no refitting this year. There are always some parents to whom it does not seem too important to have a possible vision problem followed up, so that 37 possible vision cases were not checked by oculists.

The vision screening was made much easier by the Bausch & Lomb School Vision Tester given by the Jaffrey Lion's Club. This long needed equipment has been of the greatest benefit to the school health program.

SALK POLIO VACCINE

Dr. Sterling recommended a follow-up of the Salk polio clinics again this year. Everyone from 6 months to 40 years of age were urged to have this protection. Statistics now show that polio epidemics are mostly limited to those who have not been inoculated or those who have not had enough shots of polio vaccine. There were 165 persons in Jaffrey who received Salk polio vaccine at the May clinic. Annual booster shots are now recommended, and it is expected to offer clinics each May.

PRE-SCHOOL REGISTRATION AND TESTS

Two days in June were needed for the annual pre-school registration and examinations. Forty-five pupils were registered for the first grade in September. At this time data on regulations, school facilities, school calendar, and administrative personnel is given to parents. An opportunity is provided for pupils and parents to visit the school and the teachers. This program reduces the fear and confusion for these new pupils in September, and it enables administrators to make pro-

vision for classroom and school bus needs. At this time health histories are completed, children checked for vision, hearing, dental, or any physical defects which might interfere with best school achievement. It gives time for summer corrections and any necessary vaccinations.

MEETINGS AND CONFERENCES

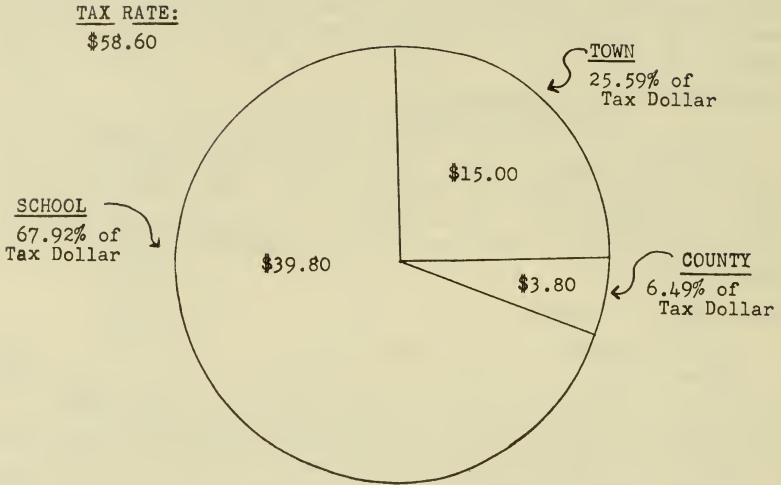

Approved professional meetings, conferences, and workshops at Concord and Manchester were attended by the nurse. These took eight day's time, five of them on non-school days. There were also many conferences with police and members of the welfare departments, relative to intolerable conditions, their investigation and recommendations for correction.

STATISTICAL REPORT

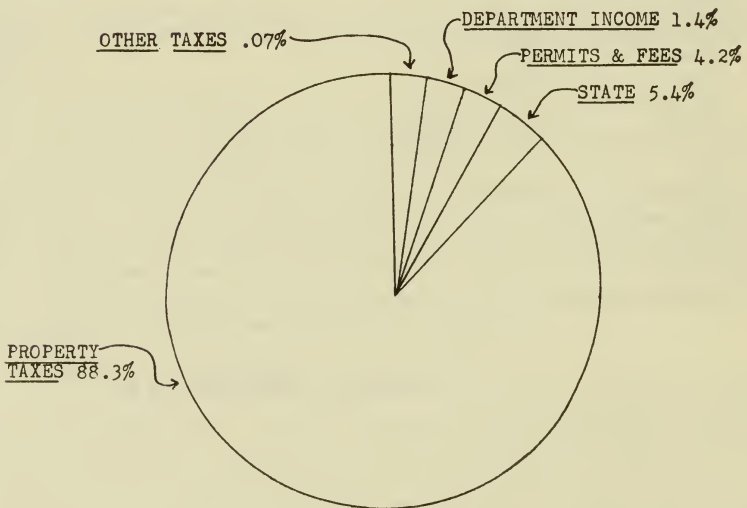

| | |
|--------------------------------------|--|
| Pupils examined | 689 |
| Defects found | 765 |
| | 1.1 per pupil |
| Defects corrected | 616 |
| | 80% of defects |
| Without apparent defects | 523 |

REPORT OF HUMISTON FIELD COMMISSIONERS

Year Ending December 31, 1961

To: Board of Selectmen, Town of Jaffrey, N. H.

The Commissioners of Humiston Park herewith submit their annual report of the year 1961.

The major capital improvement to the field during the past year was the erection of another section of chain link fencing along New Squantum Road. The commissioners now feel that the field is sufficiently enclosed to allow the field to be used without fear of traffic hazards.

Improvements were made to both baseball diamonds. Completion of this project is anticipated during the coming year.

The chief concern of the commissioners is now the skating rink and warming facilities. Use of the rink is on the increase and provisions must be made to increase the size of the rink. This, the commissioners consider to be a "must" for this coming year.

The commissioners have devoted much time and thought to the appearance of the field, and they feel that the field now presents a much better location for sports activities than it had for some time.

We wish to thank each and everyone who helped us in our project for the betterment of the field.

Respectfully,

EDMUND BIBEAU, Chairman
JOSEPH T. GRIFFIN
FERDINAND V. SIROIS

Humiston Park Commissioners

REPORT ON PHYSICAL FITNESS NEEDS

TOWN OF JAFFREY, N. H.

February 16, 1962

Report to: Board of Selectmen, Jaffrey, N. H.
School Board, Jaffrey, N. H.

From: Committee of five members, the undersigned, named May 23, 1961, to study local physical fitness needs.

AUTHORITY: The authority for this committee is the following resolution adopted by Jaffrey voters at the School Meeting March 13, 1961, and the Town Meeting March 14, 1961:

"That in keeping with President Kennedy's concern over the national physical fitness, and in consideration of the need for facilities in the Town of Jaffrey, it is moved that the Moderator appoint a committee to study the local needs and to report to the Board of Selectmen (or in the school resolution to the School Board), with three months."

PROCEDURE: The committee held one meeting to organize, one public hearing in which to get the views of as many people as wished to be heard, one meeting to review facts gathered in the public hearing and by individual members of the committee on their own initiative, and one meeting to draw up its report. The need was felt for an engineering study of site development possibilities of land behind Conant High School, but no funds were available, so the committee had to rely on such information as could be gathered from past studies.

FINDINGS: An important factor here is the common tendency for people to confuse physical fitness with the broader field of recreation. The committee considered its assignment to be the specific one, and thus did not pursue a number of subjects which could have taken it into the broader field. Physical fitness can be a by-product of a good recreational program, however, and thus the two fields are related. The following findings, and our several recommendations, are not to be considered as a review of Jaffrey's recreation facilities or needs, except insofar as they can contribute to fitness.

- (1) The problem of physical fitness is a growing one, and is serious enough to be a major concern for President Kennedy. He has had a great deal to say on the subject. The following statement is a typical summary of his views.

"Despite our unparalleled standard of living, despite our good food and our many playgrounds, despite our emphasis on athletics, American youths lag far behind Europeans in physical fitness."

"Softness on the part of the individual citizen can help to destroy the vitality of a nation. The physical vigor of our citizens is one of America's most precious resources."

"No matter how vigorous the leadership of the government, we can fully restore the physical soundness of our nation only if every American is willing to assume responsibility for his own fitness and the fitness of his children. We are, all of us, as free to direct the activities of our bodies as we are to pursue the objects of our thoughts. But if we are to retain this freedom, for ourselves and for generations to come, then we must be willing to work for the physical toughness on which the courage and intelligence and skill of man so largely depend."

"All of us must consider our own responsibilities for the physical vigor of our children and of the young men and women of our community. We do not want our children to be a generation of spectators. Rather, we want each of them to be a participant in the vigorous life."

- (2) While the committee has limited facts regarding physical fitness in Jarey, it is our belief that the national problem is felt here and must be faced. The recognized basis for the problem, sedentary influences such as TV and automobiles, are as much a part of our community as of any in the country. A report from Ralph DeBonis, physical education instructor at Conant High School, of physical tests given last May indicate Jaffrey youngsters are above the national percentile in Physical Fitness. A current report is expected to be available within a few weeks, and will be filed as supplemental information. The 1961 figures are to be found at the end of this report.
- (3) There is considerable public support for physical exercise in Jarffey, and a number of local organizations have conducted community service programs that contribute to it. The motivation seems to be more to provide local youngsters with physical recreation, rather than fitness, but the latter is undoubtedly a by-product. The Jaffrey Outing Club has provided both summer and winter programs. The Lions Club has supported the skating rink project. The Pony League baseball committee has organized baseball with the help of both individuals and groups. The two local veterans organizations have shown a willingness to help through the years.

- (4) Jaffrey has good facilities, some of which can be further developed: School playgrounds, Humiston park, the public beach at Lake Contoocook, the skating rink, the ski tow at Fitzgerald Hill, Shattuck Park, so-called Children oods and others.
- (5) There is a need for closer coordination between the several groups contributing in the field, both with each other and with town and/or school officials, in order to get the fullest utilization of existing facilities.
- (6) Mr. DeBonis is at present the Jaffrey person most closely concerned with physical fitness, it being his day to day job. He believes Conant High School's present field is inadequate for a suitable physical fitness program. He is of the opinion that other facilities are of no practical value to the school program because of time lost in getting youngsters to and from those facilities during school hours.
- (7) The Jaffrey School Board has indicated that present school facilities, including the gymnasium, could and should be further utilized for the good of the town. The gymnasium is well equipped for fitness programs. An extra-curricular program of fitness, based on the availability of the gym to junior high youngsters on Saturdays and during vacations is already in effect, and has proven popular.

RECOMMENDATIONS: The committee believes the above facts, together with other generally known and accepted and thus too apparent to warrant itemization, support the following recommendations:

- (1) A Town Recreation Commission with overall authority could contribute greatly to the problem of fitness, by helping to coordinate the several programs. It could be established as an extension of the present Humiston Park Commission, or it could be a new group encompassing that agency, but in either it should have responsibility for and authority over the several municipal activities in the area: The beach and playground programs, the several town-owned facilities, the skating rink projcet supported by contributed funds.
- (2) Such a group might well choose to coordinate its activities with school officials, employing physical education personnel jointly on a year-round basis. The committee believes strongly that professional leadership is needed to meet this problem. A twelve-month program administered by one staff, with the support of both town and schools, could utilize present facilities and funds more efficiently.

- (3) The unified staff, which such coordination would make possible, could be a rallying point to encourage the several organizations which are now working somewhat thanklessly in the field. It could undoubtedly get more actual physical fitness out of this time, energy and money presently being spent, and it could more effectively measure physical fitness in our young people so as to know more exactly the extent of the problem and thus the steps to be taken.
- (4) Conant High School, with its existing facilities and the possibility of further facilities, should be a center for the recommended unified program. The present gymnasium could be used twelve months of the year with such unified supervision. The adjoining ski area at Fitzgerald Hill and the projected tennis courts could all be a part of the program.
- (5) The land behind Conant High School should be studied for possible further development. A practical first use could be for a relocation of the skating rink. The rink's present remote location tends to discourage its use by some children living on the far side of town, and it encourages such instances of vandalism as delayed the opening of the session there this year.
- (6) The long range development plan for the land behind Conant High School, drawn up by Ralph DeBonis and others, should have careful consideration by both town and school officials and should be taken under advisement in any study of possible development of that land.

REPORT OF TOWN WARDEN

TOWN OF JAFFREY

Year Ending December 31, 1961

TO: Board of Selectmen,
Town of Jaffrey,
Jaffrey, N. H.

Below is a report of the Tree Warden of the Town of Jaffrey, N. H., for the period January 1, 1961 to December 31, 1961:

| | |
|----------------------------------|----------|
| Maple Tree Improvements | \$112.50 |
| Maple Tree Removal | 193.00 |
| Elm Tree Removal | 133.20 |
| | ----- |
| Total Expense for the year | \$438.70 |

A total of Forty Nine (49) trees were treated at an average cost of \$8.95 per tree, which is believed to be very reasonable.

The Tree Warden would like to express his appreciation for the cooperation given him during the past year by the Town Officials and the property owners concerned.

Respectfully submitted,

ALFRED P. SAWYER
Tree Warden

AN APPEAL FROM YOUR FOREST FIRE WARDEN

In these days of constantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocketbook — yours and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets some forest fires, but we have no control of lightning. Children cause many fires. 98% of our forest fires result from human carelessness — our carelessness. This, we — you — and I can do something about.

When we require you to obtain a permit for out-of-doors burning or forbid you to burn on days of high fire danger or set up regulations — hours, etc., governing the use of the town dump we are simply protecting yours and the town's interests.

The ever present threat of forest fires is the concern of all of us; the responsibility for preventing them is ours and the costs of extinguishing are ours. We can do something about this problem, by being aware of an alert to the danger and by cooperating with your warden.

Do the things that are required of you —

1. Follow the warden's directions.
2. Secure the required burning permit.
3. Keep your fires under control.
4. Completely extinguish your fires before leaving them.
5. See that your children are properly cautioned.

Everyone will benefit by it.

1961 FIRE RECORD

| | |
|--------------------------------|-----|
| Number of Fires | 1 |
| Number of Acres Burned | ½ |
| Number of Permits Issued | 210 |

PHILIP C. TREMBLAY
Forest Fire Warden
